GOVERNMENT GOOD GOVERNANCE INDABA**
**THEME: Strengthening the Interface among Assurance
Providers Towards Enhancing the Quality of Democracy**

CALL FOR ABSTRACTS

07 - 08 OCTOBER 2025, WILD COAST SUN RESORT, BIZANA

SALGA has a clear strategic role to play, representing the interests of local government within the system of government as a whole and supporting its members to fulfil their developmental obligations, on the other. As a full partner in government, SALGA is expected to be an active participant in the intergovernmental relations system, to provide common policy positions on numerous issues and to voice local government interests, as well as provide solutions to the challenges facing local government more generally. Since its establishment, the association has endeavoured to perfect delivering on its mandate as highlighted below. Its mandate rests on six pillars and SALGA leads in the transformation of local government and actively pursues solutions for problems facing municipalities through lobbying, advocacy and representation; acts as an employer body; capacity building; support and advice; strategic profiling and knowledge and information sharing.

To expedite the implementation of the above mandate, SALGA, in addition to its strategic role in fostering a reciprocal cooperative governance system, works closely with several international partners, including other Local Government Associations from across the world. In addition, the strategic posture of SALGA must be aligned with the emerging global and macro planning context and prevailing economic conditions.

In partnership with the Nelson Mandela University through the Raymond Mhlaba Centre for Governance and Leadership, SALGA will host an Inaugural Annual Local Government Good Governance Indaba at Wild Coast Sun Resort, Bizana on the 07-08 October 2025. As part Vision 2030, the university seeks to be a dynamic African centred university recognised for its leadership in generating cutting edge knowledge for a sustainable future and to be in service of society. The Indaba will bring together municipal professionals, policy makers, local government experts, politicians, academics, policy institutes, non-profit and for-profit and public and private sector partners in local government. The Indaba will explore a wide array of challenges facing local governments, including, but not limited to, financial constraints, ageing infrastructure, and issues with service delivery, all exacerbated by factors like rapid urbanisation, climate change, economic instability and so on.
